"You Busy" - WFD - 10/1/04

~~NAOMI
Well. I hope you enjoy your time
off.
CARL
(frightened)
Are you firing me?
NAOMI
No, I meant for your honeymoon.
(then)
Oh, this is just too hard.
She exits, leaving Carl alone and relieved.~~

INT. JAKE'S OFFICE

19

Jake enters. Jared is sitting on the couch.

JAKE
(surprised)
Jared -- what are you doing here?

JARED
She dumped me, dude, she totally
dumped me.

JAKE
Damn it! She said she --
(off Jared's look)
-- was really happy before. I'm
completely shocked.

JARED
Me too. I didn't know where else to
go. Every other place reminds me of
Tally.

JAKE
Every place but here? I introduced
you.

JARED
(wailing)
Oh man, I forgot! What am I going
to do?

JAKE
Okay, calm down. Tell me what
happened.

19.

JARED

I accidentally picked up the phone
and I heard Tally and this dude
saying all this personal stuff.
And I'm like...

(mimes phone to ear)

"Tally, who're you talking to?"
And she's all...

(gasps in horror)

And then she's like, "I'm seeing
this shrink." And I'm all, "That's
cool." And then she's like, "I love
him." And I'm like, "Awesome, babe,
you seem happier." And then she's --

JAKE

(impatient)

Okay, I'm guessing you finally
figured it out.

JARED

After awhile, yeah. I can't
believe it's over. I gave her my
heart, Jake. And that tired old
bitch'll probably need it in a few
years.

JAKE

Come on, Jared, that's not you.

JARED

I know. Gilbert Gottfried said it
at her Friar's Roast. I don't
really even get it.

JAKE

So that's it, huh. You're just
going to let her go.

JARED

What can I do? She broke up with --

JAKE

Fight for her! Who is this guy
anyway? You're the one she should
be with, right?

JARED

Right!

JAKE

(getting hot)
So go over there and tell her!

20.

JAKE (cont'd)

Don't just wuss out and say there's nothing you can do. Tell her there's something good between you and she needs to give you a chance.

JARED

Yeah! I'm not just gonna walk away. I'm pumped, man! I'm gonna get her back! Whoo-hoo!

JAKE

Come on, let's go do this!

Jake heads for the door. Jared follows.

JARED

(hopeful)

You're coming with me?

JAKE

No, but I'll share a cab uptown.

As they exit...

EXT. CHLOE'S APARTMENT BUILDING - A LITTLE LATER

22

Jake's cab pulls up just as Chloe and her date, RICHARD, exit the building. Jake bolts out of the cab and rushes to them.

CHLOE

Jake, what are you doing here?

JAKE

I have to talk to you. Right now.

CHLOE

But...we're just leaving for dinner.

(introducing)

Richard, this is Jake.

JAKE

Nice to meet you.

(to Chloe)

Please, it'll just take a minute.

RICHARD

(looking at watch)

We need to be mindful of the time, Chloe. Judge Peters is expecting us promptly at seven.
