KATH & KIM

#1

KIM Exactly. KATH Right.

A young, gayish guy wearing scrubs rushes in. This is TROY, Kim's second-best friend.

TROY
Your best friend is here. It's gonna be okay.

KIM
Second-best friend.

TROY
I can't believe it's over. I haven't even gotten my pictures back from the wedding. I'm gonna throw up.

KIM
You need to chill.

TROY
I stole a cat Xanax from the shelter to calm me down and it just hit me hard.

KIM
Troy, just go back to the shelter. I'm fine.

TROY
Whoa, the room is spinning. I don't think I should drive.

Troy sits. Kim looks at Kath.

KIM
So who is this loser?

KATH
He is not a loser. He's a winner. A winner. And the two of us are an island of love. Like Tijuana.

KIM
Troy, did you know that my mom had a boyfriend?

Behind Kim's back, Kath violently shakes her head "no."

TROY
No. I didn't know about Phil.

Troy realizes he blew it.

TROY (CONT'D)

Maybe I can drive. Well, we'll see,
won't we?

He exits. Kim walks to the pantry and starts looking for
more snacks. *

END

KATH

Kim. Kimmy. I didn't tell you because
I know how protective you are.

KIM

Somebody has to be. You're like a
loser magnet.

KATH

I am not a loser magnet. Not

KIM

Uh, the guy that lived in the ice cream
truck? The fat guy you gave all our
money to? Or how about the guy that
closed his eyes when he talked. *

(closing her eyes tight;
imitating)
"Your mom here?" *

KATH

Yeah, he was very creepy. *

KIM

You're sad.

KATH

Well, that may be, but I have turned a
corner in my life, Kim, and his name is
Phil. So you just better hop on the
train, 'cause he's taking me to dinner
tonight and I'm pretty sure he's gonna
propose. *

CRAIG enters. Kim quickly shuts off the TV. *

CRAIG

Hi, Kath. *

(then to Kim) *

You are being a brat. *

KATH

Kim was just saying that she misses you
so much and she's so sorr-- *

KIM

No, I wasn't. *

TROY SIDES 6/6/08

INT. KATH'S HOUSE - KITCHEN - EVENING (DAY 1)

It's dark. KIM ENTERS and flicks the light on to REVEAL TROY standing by the sink eating a big hunk of cherry pie from a bowl. Troy reacts, caught. Kim takes in the scene.

KIM

(not sure what she's
looking at)

Ew, were you... eating pie in the
dark?

TROY

It got dark while I was eating.

KIM

Is there any left?

Troy holds out the plate to her, indicating not much.

TROY

No.

KIM

And you're sweating.

TROY

The climate in Florida is too harsh
for me. I always have to travel
with a change of clothes.

KIM

You might want to use it.
(then)
Why don't you just move?

TROY

I can't. My whole life is here.

KIM

What life?
(then)
I think I'm gonna move.

TROY

That's so exciting! Where?

KIM

(with stars in her eyes)
Tampa.

KATH & KIM

TROY
Maybe I'll move there with you!

KIM
I thought you hated Florida.

TROY
Not Tampa! We can get a kick-ass
apartment together. And pimp it
out.

KIM
I get the big bedroom.

TROY
We are gonna be living the dream!
Maybe we can get jobs as models.
Tamps has a big modeling industry.
Oh, wait maybe that's porn.

Kim gives him a look like "not you."
